WARRANT FOR ANNUAL TOWN MEETING, 1918.

THE STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Bath Qualified to Vote in Town Affairs:

You are hereby notified to meet at the town hall in said Bath on the second Tuesday of March next, at ten o'clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose a town clerk, three selectmen, a town treasurer, auditor, and one or more highway agents for the ensuing year.

ART. 2. To choose one library trustee for the term of three years, in place of Vera M. Drury, term expired, and one trustee of trust funds for the term of three years, in place of Edward C. Poor, term expired.

ART. 3. To bring in your ballots for delegate to the Constitutional Convention to be holden at Concord on the first Wednesday of June, A. D. 1918.

ART. 4. To choose all other necessary officers and agents and to hear reports of officers and agents heretofore chosen, and pass any vote relating thereto.

ART. 5. To see how much money the town will vote to raise for the proper observance of Memorial Day and Old Home Day.

ART. 6. To see how much money the town will vote to raise for the support of the poor.

ART. 7. To see how much money the town will vote to raise to pay town officers.

ART. 8. To see how much money the town will vote to raise for the support of the town library.

ART. 9. To see how much money the town will vote to raise for painting and repairing the town building.

ART. 10. To see how much money the town will vote to raise for the ordinary expenses and repairs of highways and bridges.

ART. 11. To see how much money the town will vote to raise for extraordinary repairs on Bath bridge, and for any new construction or permanent improvements elsewhere.

ART. 12. To see how much money the town will vote to raise to pay on town notes.

ART. 13. To raise and appropriate such sum of money as may be necessary for the maintenance of the State Aid and Trunk Line roads.

ART. 14. To see what action the town will take in regard to securing state aid for highways, and make any appropriation therefor.

ART. 15. To see if the town will vote to discontinue the highway leading from the Walker place, so called, to a point near the buildings owned by Henry S. Buck on the road leading from the farm owned by Abiel and Henry Reed to the farm owned by Charles Woolson.

ART. 16. To see if the town will vote to accept from the estate of Elvira L. Parker the sum of fifty dollars in trust, to be known as the Elvira L. Parker Trust Fund, so much as may be necessary of the income thereof to be used for the perpetual care of the burial lot in the Bath Village Cemetery wherein are buried the remains of Edward O. Parker, William S. Parker and the said Elvira L. Parker, and the surplus each year, if any, to be added to the principal of said trust fund, or applied to such public purposes and uses as may to the trustees of trust funds seem right and proper.

ART. 17. To see if the town will vote to dispense with delivering the inventory blanks until April 1.

ART. 18. To transact any other business that may legally be brought before said meeting.

Given under our hand and seal this 16th day of February, A. D. 1918.

JOHN B. HIBBARD,
TIMOTHY B. SOUTHARD,
HENRY A. LEIGHTON,
Selectmen of Bath.

I have examined the accounts of the selectmen and find them properly vouched and correctly cast and this account is made in accordance therewith.

CLAYTON C. FOSTER,

Auditor.

Bath, N. H., February 13, 1918.

Selectmen's Report.

To the Citizens and Taxpayers of Bath:

On the foregoing pages we present the annual report for the financial year ending January 31, 1918.

Owing to the scarcity of labor during the past season some of the improvements for which appropriations were made last March have not been completed, namely: "The Narrows" highway improvement, state aid road, grading Main street, Bath village, and the pipe line from the leather-board mill to the common, for fire protection.

By the terms of the joint resolution by which the legislature appropriated \$1,000 to assist the town in improving "The Narrows" highway, the joint fund is to be expended under the direction of the state highway department. Mr. Riford, the engineer in charge of this division, had planned to begin work on the job last fall, but owing to the fact that the steam drill owned by the highway department, which he expected to use on this work, was in use on another job until very late in the fall, he decided to postpone this work until spring. As we now understand the matter, work will be started sometime in March. The money appropriated by the state for this work remains in the state treasury and the money appropriated by the town is in the town treasury.

We were unable to begin work on the state aid road until the middle of September. Scarcity of labor and wet weather delayed the work somewhat, with the result that only about two-thirds of the money available had been expended when frost compelled us to stop work. The unexpended balance of the joint fund is in the state and town treasuries ready to complete the job.

None of the \$600 appropriated to grade Main street, and for other purposes, has yet been expended. The money is in the hands of the treasurer ready to be used for the purposes for which it was appropriated.

The unexpended balance of the appropriation for fire protection is also in the hands of the treasurer, as explained elsewhere in this report.

On the recommendation of Storrs & Storrs, bridge engineers of Concord, N. H., we employed Mr. C. C. Battey to inspect the Bath bridge and estimate the cost of repairs. His report follows. Owing to snow and the frozen condition of the floor timbers his estimate covers cost of strengthening arches only.

Woodsville, N. H., February 11, 1918.

Board of Selectmen, Bath, N. H.:

Dear Sirs—I have completed inspection of the highway bridge at Bath, N. H.

I find the easterly span south truss sagged about five inches and the bottom chord pulled about two inches. The north truss is down about three inches and the bottom chord pulled about one and one-fourth inches. The floor beams are rotten and some of them recently broken and they are near the danger point.

The nose of one of the piers is in bad condition and I would suggest that you have a stone mason put the stone back in place the best he can before the spring freshets.

The old arch beams in the east span are nine by fifteen inches. I would recommend that you build on top of the old ones making them nine by thirty six inches. It will be necessary to have a stone mason cut for the foot of the new arch timbers and the old rods will have to come out and the span supported by horses from the river bed while repairs are being made, and an approximate estimate of strengthening these arches is as follows:

4,126 ft. of arch timbers at \$50 per M.	\$206.30
1,600 ft. needle beams (10-8"x10"x24') at \$50 per M.	80.00
426 ft. timbers to carry floor where arch inter- sects with bottom chord (4-8"x10"x16') at \$50 per M.	21.30

2,388 ft. timber for falsework to support bridge (16-8"x8"x28') at \$50 per M.	\$59.70
267 ft. caps (2-8"x8"x26') at \$50 per M.	13.35
384 ft. bracing (12-2"x8"x24') at \$50 per M...	19.20
500 lbs nails at 6 cents lb.	30.00
1,160 lbs. wrought iron (bolts, etc.) at 15c lb...	174.00
Labor:	
1 Stone mason, 6 days at \$5 per day	30.00
6 Carpenters, 20 days each, 120 days at \$3.50 per day	420.00
1 Foreman, 20 days at \$5 per day	100.00
Engineer's supervision:	
5 days at \$10 per day	50.00
Tools	75.00
<hr/>	
Total estimated cost	\$1,278.85

It is impossible for me to make a fair estimate of the cost of the repairs to the floor on account of the amount of snow and the frozen condition of the timbers.

Immediate action should be taken to stop the practice of trotting horses on this bridge, also the rule governing the two ton loads on four wheels should be enforced until the repairs are made.

Yours respectfully,

C. C. BATTEY.

In addition to the above estimate it will be necessary to renew both courses of the floor plank for practically the whole length of the bridge, and at the least calculation one-half, or about one hundred of the floor timbers must be replaced with new timbers. Also about one-half of the boarding on the sides should be renewed, both for looks and to preserve the bridge, and the north side of the roof will need to be shingled, or covered with galvanized roofing, in a very short time.

We believe the following to be a fair estimate of cost for the whole job:

Mr. Battey's estimate for strengthening arches..	\$1,218.85
40,000 ft. 3-in hemlock plank for floor at \$27.50 per M.	1,100.00
12,200 ft. floor timbers (100-4"x14"x24') at \$50 per M.	610.00
5,000 ft. of boards for sides at \$35 per M.	175.00
800 lbs spikes and nails at 6 cents lb.	48.00
4 men, 36 days each, 144 days at \$3	432.00
	<hr/>
	\$3,643.85
Add 15 per cent for unforeseen expense.....	546.58
	<hr/>
Total estimated cost	\$4,190.43

We would suggest that \$1,000 of the cost be raised on the inventory of 1918, and the balance by the issue of notes payable serially, in the manner provided in section 2, chapter 129, Laws of 1917. In this connection we would state that provision must be made at the annual meeting for refunding all outstanding notes, payable on demand, by the issue of new notes payable serially as provided in said Chapter 129, Sections 2 and 4.

Section 8 of Chapter 129, reads as follows: "Immediately upon the close of the fiscal year the budget committee in towns where such committees exist, otherwise the selectmen, shall prepare a budget on blanks prescribed by the tax commission. Such budget shall be posted with the town warrant, and shall be printed in the town report at least one week before date of town meeting."

We have prepared a budget on blanks prescribed by the tax commission, and have posted copies with the town warrant, where they may be seen, but because of its length and complicated nature we thought it best to omit the document from this report and simply give the sums raised last year with an estimate of the appropriations needed for 1918. The actual expenditures for the past year are given in an-

other part of this report. The estimated revenues from all sources except property taxes are practically the same as last year.

Appropriation for Town Purposes.	Amount levied, 1917	Estimated for 1918.
By law:		
Regular state tax	\$1,321.50	\$1,416.00
Special state tax	177.00	
County tax	1,178.52	1,178.52
Library fund	53.10	53.10
Overlay	537.80	700.00
By vote:		
Memorial Day expenses	10.00	10.00
Town poor	200.00	250.00
Town officers' salaries and ex- penses	650.00	700.00
Library fund	150.00	150.00
For painting town building	250.00
Highways and bridges	3,500.00	4,100.00
Grading Main street, etc.....	600.00
Fire protection	500.00
Repairs on Bath bridge	1,000.00
The Narrows highway improve- ment	1,000.00
Payment on notes	1,000.00	1,000.00
State aid maintenance	50.00	52.50
Trunk line maintenance	600.00	450.00
State aid construction	1,153.50	1,237.50
Total for town	\$12,687.42	\$12,547.62
Town school district:		
Amount required by law.....	\$787.53	\$790.00
Voted by district for:		
School purposes	1,000.00	1,250.00
Repairs	200.00	100.00
Officers' salaries	45.00	45.00
Tuition	900.00	400.00

Appropriation for Town Purposes.	Amount levied, 1917	Estimated for 1918.
Books and supplies	200.00	100.00
Flags	15.00	15.00
Total for town school district..	\$3,141.53	\$2,700.00
Union school district:		
Amount required by law	\$539.97	\$537.50
Voted by district for:		
School purposes	1,000.00	1,150.00
Salaries of district officers	200.00	200.00
Books and supplies	150.00	150.00
Graduation exercises	10.00	12.50
Payment on debt	300.00
Total for Union district	\$1,899.97	\$2,350.00
Summary:		
Total amount for town purposes.	\$12,687.42	\$12,547.62
Receipts from poll taxes	508.00	500.00
Raised by property taxes, town..	\$12,179.42	\$12,047.62
Town school district	3,141.53	2,700.00
Union school district	1,899.97	2,350.00
Total amount of property tax..	\$11,226.92	\$11,097.62
Inventories:		
	Assessed Valuation, 1917.	Estimated Valuation, 1918.
Town	\$825,957.00	\$827,000.00
Town school district	\$443,609.00	\$445,000.00
Union school district	\$304,157.00	\$304,000.00

Assuming that the estimated valuations for 1918 are approximately correct and the amount raised for town purposes is \$12,047.62, the town rate for the ensuing year will be \$1.46 per \$100 of valuation. Each \$1,000 added

to or deducted from the estimate will raise or lower the rate 12 cents.

If the amount raised for all purposes in the town school district is \$2,700, the school rate will be 61 cents. Each additional \$100 will add $2\frac{1}{4}$ cents to the rate.

If the amount raised for all purposes in Union District is \$2,350, the school rate in that district will be 77 cents. For every \$100 added to the estimate, add $3\frac{1}{4}$ cents to the rate.

The State Highway Department's estimate for maintenance of state aid roads in Bath for the year 1918 is \$150.74. There is available for this purpose the sum of \$45.74, leaving a balance of \$105 to be raised. If the town will appropriate \$52.50 for such maintenance the state will also appropriate \$52.50.

The estimate for trunk line maintenance for 1918 is \$2,503.03. There is available in the state and town treasuries the sum of \$1,303.03, which leaves a balance of \$1,200 to be raised. If the town will appropriate \$450 the state will appropriate \$750.

If the town votes to apply for state aid, the sum of \$1,237.50 must be raised, to which the state will add \$494.80, making the joint fund \$1,732.30. If the town does not vote to accept state aid, it must set aside the sum of \$825 as a permanent improvement fund.

Owing to the new law which makes the financial year end January 31, instead of February 15, as heretofore, Mr. Abbott, collector for 1917, was unable to settle his book before the end of the year, but all taxes committed to him will be collected or sold, and his account settled before town meeting.

There are no outstanding orders.

Respectfully submitted,

JOHN B. HIBBARD,

TIMOTHY B. SOUTHARD,

H. A. LEIGHTON,

Selectmen of Bath.

REPORT OF THE TRUSTEES OF THE TRUST FUNDS FOR THE YEAR 1917.

The trust funds consist of, viz.:

Sarah K. Hebbard legacy of 1880 for.....	\$1,000.00

BATH, N. H., February 8, 1918.

BATH FREE PUBLIC LIBRARY.

LIBRARIAN'S REPORT.

To the People of Bath the following report is respectfully submitted:

During the year just past seventy-nine volumes have been added to the library by purchase, five have been presented by Mrs. Lucia W. Ross, ten by the Elvira L. Parker estate, six by the Carnegie Endowment of International Peace, one by Coroden Cummings of Nashua, one by Emile Carbonnel of New York, five by the state and two by the government, making a total of 3,613 volumes in the library, exclusive of state and government reports.

Mrs. Lucia W. Ross also gave the library a fine oil portrait of Daniel Webster, which adds much to the appearance of the room.

Periodicals taken by the library: Literary Digest, National Geographic Magazine, Century, Ladies' Home Journal, Everybody's, Bookman, Good Housekeeping, Popular Science, Popular Mechanics, and National Sportsman.

CIRCULATION.

Number of volumes fiction loaned	3,010
Number of volumes juvenile fiction loaned.....	378
Number of volumes non-fiction loaned	192
Number of periodicals loaned	552

Total '	4,132

NAPOLEON B. FOSTER,
Treasurer Union School District.

I have examined the accounts of the Treasurer of Bath Union School District and find them correctly cast and properly vouched, and this report is made in accordance therewith.

CLAYTON C. FOSTER,
Auditor.

BATH, N. H., February 12, 1918.

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the School Board of the Bath Union School District:

I am presenting for your consideration my seventh annual report, which is the eleventh in the series of district superintendents' reports.

For the purpose of comparison and reference I present these items from the state report for the year ending July 15, 1917:

Whole number of pupils attending at least two weeks	59
Average attendance in all schools.....	49.58
Average absence in all schools.....	4.00
Average membership in all schools.....	53.58
Per cent of attendance.....	92.56
Number of tardinesses.....	110
Average monthly salary of grade teachers...	\$42.55
Average monthly salary of high school teachers	\$58.00
Official visits of school board.....	5
Number of visits of superintendent.....	65
Number of visits of citizens and others.....	105

PROMOTIONS IN JUNE, 1917.

Grade.	I	II	III	IV	V	VI	VII	VIII
Promoted	6	0	9	8	9	3	5	1
Not promoted	0	0	0	0	0	0	0	0
Average age.....	7-5	7-7	9-7	8-10	11-4	13-5	13-3	14-1

Ellen Asenath Weeks was graduated from the high school and Delila Hardy from the eighth grade.

Louise Bailey was the only pupil who had perfect attendance for the entire year.

HIGH SCHOOL PROGRAM OF STUDIES.

FIRST YEAR.

Latin Course—English, Algebra, Ancient History, Latin.

English Course—English, Algebra, Bookkeeping and Commercial Arithmetic, Ancient History.

SECOND YEAR.

Latin Course—English, Geometry, French, Latin.

English Course—English, Geometry, French, English History.

THIRD YEAR.

Latin Course—English, Physics, French, Latin.

English Course—English, Physics, French, Mediaeval and Modern History.

FOURTH YEAR.

Latin Course—English, Mathematical Review, American History and Civics, French or Chemistry, Latin.

English Course—English, Mathematical Review, American History and Civics, German, Chemistry.

The important fact to chronicle this year is that the school building has been remodeled and put in condition to meet present-day needs. The two grade rooms on the first floor are models in lighting, tinting and general appearance. The separate toilets for boys and girls is most satisfactory. The arrangement of the hall, the book and supply closets, the new stairway to the classroom on the second floor and the concrete outer steps all make the building attractive and useable. The rush at the last to enable school

Bath

to begin left a few things unfinished. The desks in the high school room should be changed to bring the light over the pupil's back and left side instead, as now, over the back and right side, and a urinal should be placed in the boys' basement.

Along the line of improvements we may mention the new clock in the primary room, the six wall maps in the grammar room, the new curtains where needed and the fine flag-pole erected by the pupils and teachers.

There has been but one change in the teaching force during the year. Miss Morrison has taken the place of Miss Hokanson, who resigned at the close of last year. Throughout the grades and high school the work has continued of high grade, and the pupils seem appreciative of their opportunity. With the exception of two boys in the high school, the attendance has been exceedingly good throughout the building. The citizens of the district have reason to be proud of their building and schools.

The shortage in labor and in food production at the present time urgently suggests that our small high schools should offer courses which shall fit the boys and girls of the community to develop the resources of the farm and the farm home. I still believe that the Bath High School can do no better service in the community than to offer courses in agriculture and domestic arts.

I am grateful to all who in any way have helped to make the work of the year a success.

Respectfully submitted,

NORMAN J. PAGE.

REPORT OF SCHOOL BOARD OF UNION DISTRICT.

The past school year was one week short as the extreme cold weather seemed to make it advisable to end school one week earlier at Christmas time, in order to save fuel, but this will be made up in the spring term.

The school building has been repaired to meet state requirements under the direction of a building committee of three—B. A. Stymest, Ellen S. Chase and Ira E. Deming. The cost has been about eleven hundred dollars. This was loaned by the National Bank of Newbury at five per cent in October. At the next school meeting there will be a decision as to the payment of this note.

Mr. Harold E. Mason, architect, from Keene, was employed by the building committee to make the plans which should fully meet state requirements, and we now feel we have a building adequate for school purposes.

We found on looking up what had been paid on the superintendent's salary in previous years that this district was behind \$63.31. This sum, with \$147.33 which was left unpaid last year, and the \$113.33 which has been paid on this year's salary, brings the total to \$323.96, which explains this seemingly large sum. Probably the same amount will be required as last year for books and supplies.

Respectfully submitted,

FARRAND FOSTER,

JONAS MINOT,

A. N. BLANDIN,

School Board Bath Union District.

REPORT OF BATH TOWN SCHOOL DISTRICT.

(For the year ending January 31, 1918.)

Schools in town have been maintained as follows:

Carbee School.

Spring term, Ruby Miller, wages per month. . . .	\$36.00
Fall term, Sally Nutter, wages per month.	\$40.00

Hibbard School.

Spring term, Florence Lang, wages per month. .	\$48.00
Fal term, Elizabeth Smith, wages per month. . . .	\$40.00

Pettyboro School.

Spring term, Beatrice Burgess, wages per month,	\$36.00
Fall term, Edith Hood, wages per month.	\$48.00

Nutter School.

Spring term, Sally Nutter, wages per month. . . .	\$36.00
Fall term, Minnie Morris, wages per month. . . .	\$36.00

Swiftwater School.

Spring term, Wyoma Witham, wages per month	\$40.00
Fall term, Wyoma Witham, wages per month. .	\$44.00

"The fiscal year of town and special school districts beginning February 16, 1917, shall end August 31, 1918, and thereafter the fiscal and the scholastic year shall end August 31, annually."

The district will need four hundred dollars for high school tuition, one hundred for repairs and one hundred for supplies.

Respectfully submitted,

MARION M. CHILD.

SUSIE D. NUTTER.

G. E. POWERS.

REPORT OF SUPERINTENDENT OF SCHOOLS.

To the School Board of Bath Town School District:

I am herewith presenting to you my seventh annual report, the eleventh in the series of district superintendent's reports.

The total number of pupils enrolled during the present school year, with the names of the teachers, is given below:

Swiftwater, Wyoma Witham, Grace Hutchings	21 pupils
Carbee, Sally Nutter.....	11 pupils
Nutter, Minnie Morris.....	13 pupils
Hibbard, Elizabeth Smith, Dorothy Frost...	19 pupils
Pettyboro, Edith Hood.....	14 pupils
Woodsville grades	3 pupils
Bath Union grades.....	1 pupil
Lisbon High School.....	3 pupils
Woodsville High School.....	6 pupils
Bath Union High School.....	3 pupils
<hr/>	
Total	94 pupils

I copy the following important items from the state report for the year ending July 15, 1917:

Whole number of pupils attending at least two weeks	71
Average attendance in all schools.....	55.63
Average daily absence in all schools.....	4.81
Average membership in all schools.....	60.44
Per cent of attendance.....	92.03
Number of tardinesses.....	542
Average monthly salary of teachers.....	\$39.60
Number of visits of school board	10
Number of visits of superintendent	87
Number of visits of citizens and others.....	122

PROMOTIONS IN JUNE, 1917.

Grade.	I	II	III	IV	V	VI	VII	VIII
Promoted	3	8	6	12	5	4	10	4
Non-promoted	3	0	3	1	0	1	1	1

EIGHTH GRADE GRADUATES.

William Franklin, Delia Laundre, Earl Riley, Laurent Roy.

PUPILS NOT ABSENT OR TARDY FOR THE YEAR.

Walter Campbell, Grace Carr, Marguerite Lang, Leona Greenwood, Leora Greenwood.

In spite of the almost prohibitive cost of labor and materials, the progressive scheme previously begun by the district of making some permanent repairs each year was continued. At Pettyboro the walls of the schoolroom were papered, new inner doors hung and new closets built, attached to the building in such a way that they could be reached without leaving the building. Some appropriation for repairs and improvements should be made this year, as hardwood floors are needed at Pettyboro and Carbee, and new desks will soon be a necessity at Swiftwater. Jacketed stoves are needed to heat the schoolrooms evenly and to economize in fuel.

The conditions caused by the present war are bearing heavily upon the schools. Teachers are scarce and salaries are high. Fuel is very expensive and hard to get. Pupils' supplies have doubled in value. To meet this situation, considerable larger appropriations will be needed next year, for the President of the United States, the Governor of New Hampshire and all educational authorities unite in urging us to continue the schools at their highest efficiency. In order to do this it may be necessary to consolidate schools, to transport pupils and to devise other means of meeting and solving the possible problems which may arise. Whatever exigency may come, I am confident that the citizens of Bath will not wish to curtail the preparation of their children for active service in all fields of industry after the war is over, for never in the history of the world has there been an opportunity which could compare with that which the close of the war will open for educated service in reconstructing what the war has torn down. Our children must be ready to meet this demand.

I am grateful to all who have been associated with me in the work of the year for their cordial coöperation.

Respectfully submitted,

NORMAN J. PAGE.

FINANCIAL STATEMENT OF TOWN SCHOOL DISTRICT.

For fiscal year ending January 31, 1918.

CURRENT REVENUE.

1	Balance from last year	\$713.08
